

Salome Chilachava

Kandelakist. #3

Apt.18

Georgia, Tbilisi

E-mail:salome_chilachava@yahoo.com

Website:<https://www.facebook.com/salome.chilachava>

Phone:+995 593477584

Date of Birth

24.12.1996

Education

Engineering Physics Program 2014 — Present

Georgian Technical University

Main subjects: general physics, theoretical physics, semiconductors and dielectrics, environmental protection and safety, general chemistry, mathematical analysis, linear algebra, differential equations, vector and tensor analysis, matlab, C++, English, Informatics, medical materials, engineering mechanics, ionizing radiation in medicine, physical research methods in medicine, essential medical physics.

Work experience

Georgian Technical University Dec. 2016 — Present

Detecting small fiber neuropathy in patients with diabetic melitus using non-invasive optical method

Conferences and Seminars

- Certificate. Georgian technical University, JülichForschungszentrum. For attending in the First Autumn Lectures, October 7-14. 2015 on “Nuclear and Medical Physics“.

Computer programs

- **C++** well
- **Mathlab** well
- **PowerPoint** well
- **MS Office** well
- **MS Word** well
- **Excell** well

Languages

- **Georgian** - native
- **English** - very good (C1)
- **Russian** - very good
- **German** - very good (TestDaF certificate)
- **Korean** - minimally/beginner

Interests

- Nanobiosensors
- Nuclear physics
- Astrophysics
- Quantum Physics
- Computer Sciences

- Sports
- Art

Other Achievements

- Successfully finished following courses on Edx online learning platform:
 - Fundamentals of Biomedical imaging: Ultrasounds, X-ray, Positron Emission Tomography(PET) and applications;
 - How to Code: Simple Data;
 - Animation and CGI motion;
 - Leaders of Learning;
 - Philosophy and critical thinking;
- GojuRyu Karate 3rd kyu (brown belt). From 2011 up to 2016.
