EDUCATION

- September 2003/ May 2015 LEPL Tbilisi #163 Public School, Tbilisi, Georgia
High school diploma
- September 2015/ May 2019 Tbilisi State University/San Diego State University, Tbilisi, Georgia
Bachelor of Sciences in Chemistry (with Emphasis in Biochemistry)

WORK EXPERIENCE AND INTERNSHIPS

- June 1/December 31, 2016 LLC Geotechservice, Tbilisi, Georgia
Chemical Laboratory, laboratory assistant, intern
- July 4/August 4, 2016 48th International Chemistry Olympiad, Tbilisi, Georgia
Guide
- September 2016 Georgian Water and Power, Tbilisi, Georgia
Chemical Laboratory, laboratory assistant, intern
- August 2016/present Educare Georgia, Tbilisi, Georgia
Translator

RESEARCH PROJECTS

- Chiral Separations of Peptides
Bezhan Chakvetadze, Tamar Basiashvili, Ani Shalamberidze, Tamar Maisuradze
September 2016/present

OVERVIEW OF SKILLS

- **Good computer skill** – Demireli College courses helped me to achieve excellence in programs such as Microsoft Word, Excel, and PowerPoint.

- **Laboratory skills** – With More than one and a half year of laboratory experience at the university and different companies, I have learnt to work with different chemical apparatus. For example, GC, HPLC, pH-meter, MS.
- **Team and individually working skills** – all of the university classes focuses on individual work as well as teamwork. I had to work on reports, presentations, laboratory experiments, etc. in groups of several people as well as individually. Obtained knowledge helped me with working as a guide at International Chemistry Olympiad.
- **Communication skills** – One-term communication classes, provided by my university, has given me a chance to master effective communication and presenting information.
- **Academic writing skills** – Experience of two-term course in academic writing at university helped me to learn how to preplan, search necessary information, analyze information, and write an academic research. I have written two secondary researches: “After Effects of Bullying”, Treatment, and “Vaccination of Ebola Virus”.

PERSONAL DATA

DATE OF BIRTH:

- 6th of July, 1997

PLACE OF BIRTH

- Tbilisi, Georgia

LANGUAGES

- Georgian (native), English (fluent), Russian (good), Spanish (beginner)

ACHIEVEMENTS

- High School Gold Medal, GPA 10/10
- San Diego State University Dean’s List, Fall 2015, GPA 3.65/4.00
- San Diego State University Dean’s List, Spring 2016, GPA 3.75/4.00
- San Diego State University Dean’s List, Fall 2016, GPA 3.75/4.00

GPA:

Bachelor’s Degree

Ivane Javakhishvili Tbilisi state University

Faculty of Exact and Natural Sciences

Department of Chemistry

GPA: 3.625

Bachelor's Degree

San Diego State University

College Of Sciences

Department of Chemistry and Biochemistry

GPA: 3.75
