DATE OF BIRTH 01.01.1994

EDUCATION **1.Georgian Technical University-**

Engineering Physics Program ((3rd grade of bachelor 2014-present)

GPA-3.41

2.the Shota Rustaveli Theatre and Films Georgia State University- faculty of film and drama actress (Bachelor, 2012-2016)

1 .Main subjects:

- General Physics
- Theoretical physics
- Solid state physics
- Semiconductors and Dielectrics
- Environmental protection and safety
- General chemistry
- Creative thinking
- Mathematical analysis
- Linear algebra
- Differential equations
- Vector and tensor analysis
- Math lab- Radiation
- Physics Mechanical
- engineering
- Ionizing radiation in medicine
- Medical Physics
- Optics and electronics in medicine
- mathematical analysis of experimental data

2 .Main subjects:

-Acting, Speech, dance classic, Georgian dance, pantomime etiquette, fencing, stage movement, singing.

-history of World cinema, history of Georgian cinema, antique and modern theater history, history of Georgian theater, symbolism, world literature, history of art, philosophy, psychology, history of music.

CONFERENCES AND SEMINARS

- Certificate. Georgian Technical University , Jülich forschungszentrum. For attending in the First Autumn Lectures, October 7-14 2015 on “Nuclear and Medical Physics”.
- Conference participant- Technological Institute of Georgia -The first international

scientific conference. (23-24-25 May 2016)

- Certificate - "Clean Up Georgia" Training (16-17 /02/2016)
- Seminar participant -Scientific seminar on "the first direct registration of gravitational waves," Professor Ilia Lomidze it. 2016.

WORK EXPERIENCE

- **Georgian Technical University**

Laboratory Assistant at Georgian Technical University Faculty of Information and Control System Engineering

Physic Department (2015-up to now)

- **High technology Medical Center, University Clinic (HTMC)**

internship in High technology Medical Center, University Clinic (HTMC) Department of Radiation Oncology

(Medical physicist) (15.08.2016 - 12.12.2016)

- **Internship in institute of Energy and Climate Research (forschungszentrum Julich)**

Overview of the internship: setting up and calibration of aerosol mass spectrometric and optical instruments for the sensitive detection of atmospheric trace substances in laboratory experiment. In addition, some techniques like condensation particle counter (CPC) and SMPS (scanning mobility particle sizer) were involved.

(14.11.2016 - 09.12.2016)

- **"ENMEDIC" Clinic**

Medical Equipment Engineer (01.02.2017-up to now)

- **DeltamedGeorgia**

Official Representatives of Siemens Healthcare Diagnostics in Georgia

Technical Specialist (01.02.2017-up to now)

- **Internship in liv hospital radiation medicine center**

(Medical physicist) (04/05/2017 – up to now)

COMPUTER
PROGRAMS

- c++ good
- matlab good
- power point. well

- MS Word, well
- MS Office, well
- internet well

LANGUAGES

Georgian - Native

English - Very Good (C1)

Russian – Minimally

German-Minimally

INTERESTS

Astrophysics,
Nuclear physics,
Geometry,
Philosophy,
Music,
Movie,
Theater.

OTHER

ACHIEVEMENTS

- Tournament of you young Physicist (GYPT)- **Member of organizing committee** (2016 year)
- Rustavi2 TV TV show "my wifes friends"-**actress** (minor role) 2013-2014
- GDS TV TV show "without panic"-**actress** (minor role) 2013-2014
- Imedi TV TV show " psychopaths games"-**actress** (the main role) 12.12.2014- 15.01.2015
- "The Preposition" short student film -**actress** (the main role) 25.03.2013-30.03.2013
- "The Violinist " short, experimental, student film -**actress** (the main role) 05.10.2013-10.10.2013
- Tbilisi international Student Film festival 2014 - "Amirani"-opening and closing ceremonies **host** (language -English) June2-7 2014
- Gala concert-organized by Ministry of Education- **host** 15.09.2014
- Charity concert in Gardabani - **host** 28.12.2014
- Bravo Theater performance "office"-**actress** (The main role) 9.04.2013-14.04.2013
