

JÜLICH
FORSCHUNGSZENTRUM

Goga kakabadze

Georgian Technical University

Faculty of informatics and Control
systems:physics department

2 week visit at Forschungszentrum Julich
24.11.2013 – 6.12.2013

How it started

- In september Autumn Lectures was started at Tbilisi.

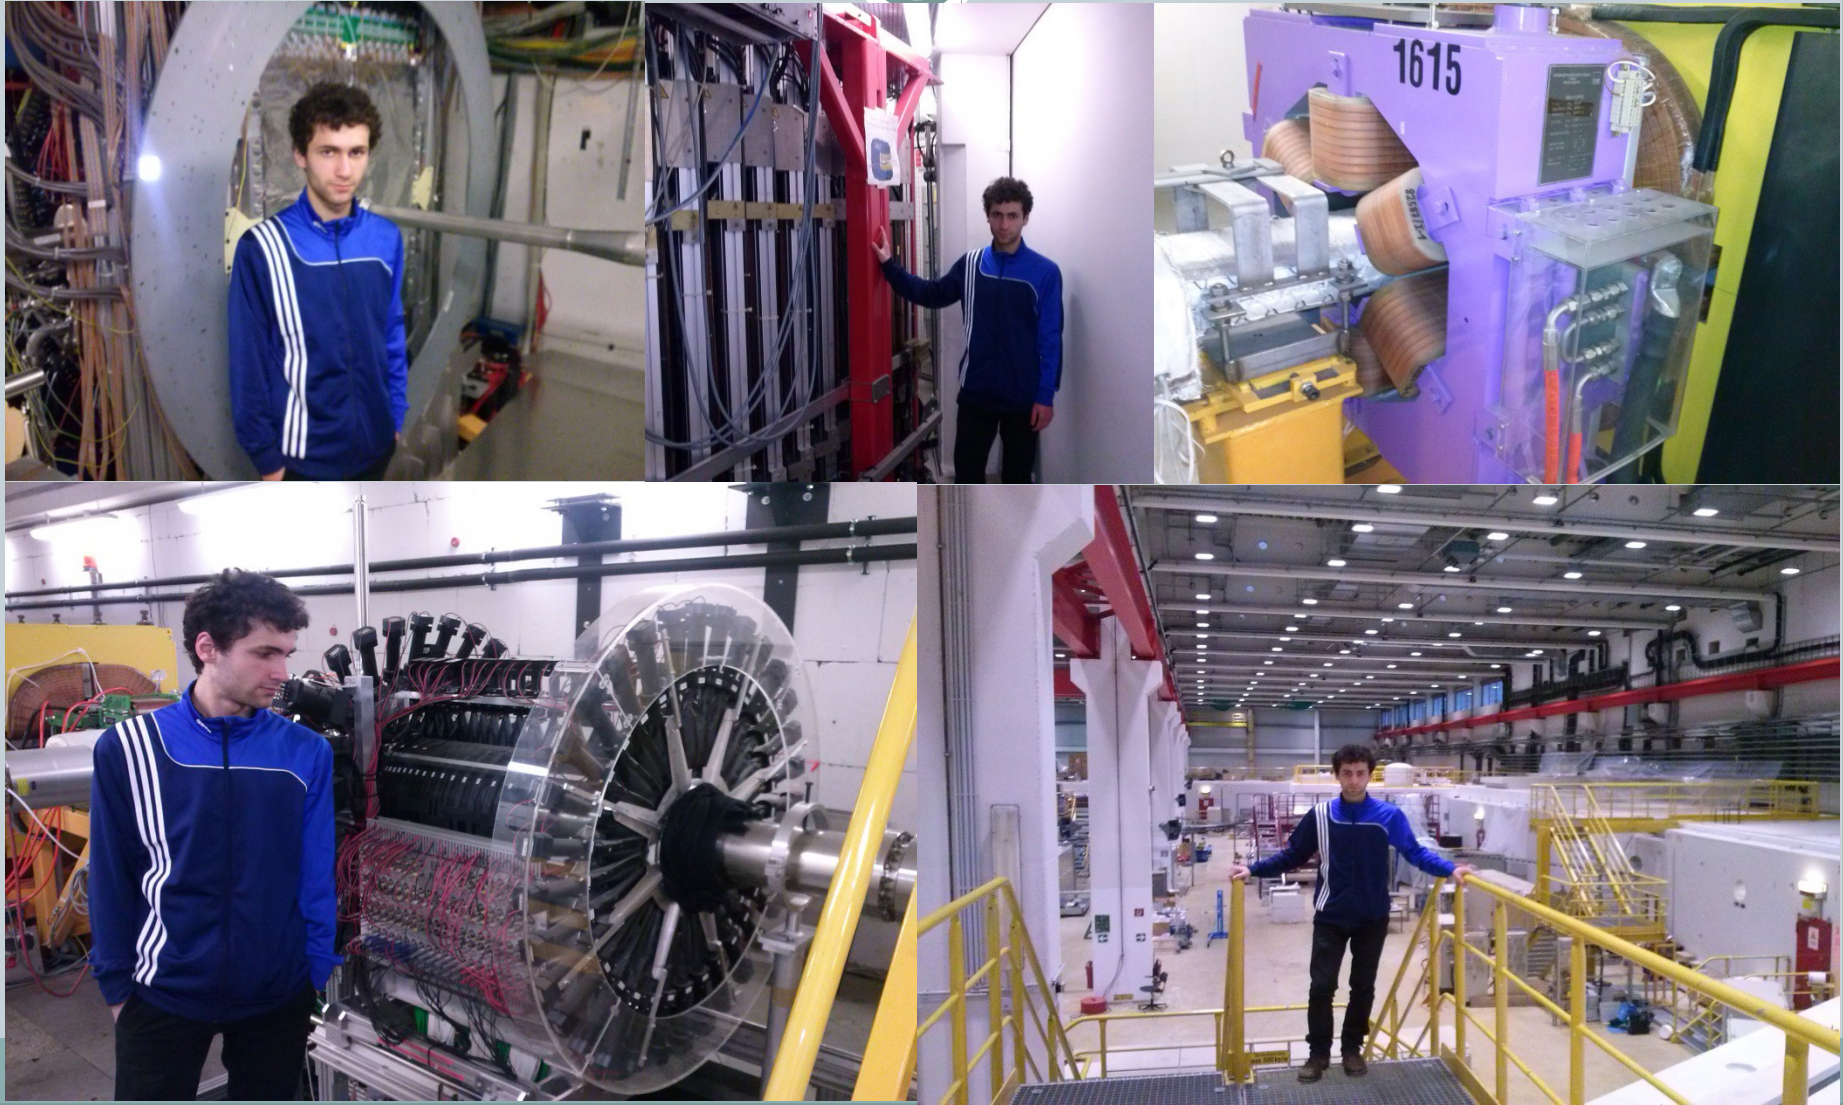

First days at FZJ

- I met Dr.Andro Kacharava at IKP-2 (Institute for Nuclear Physics) ,with him I visited COoler SYnchrotron (COSY) .I visited at COSY data receiver center where information coming from experiment was processing

At COSY

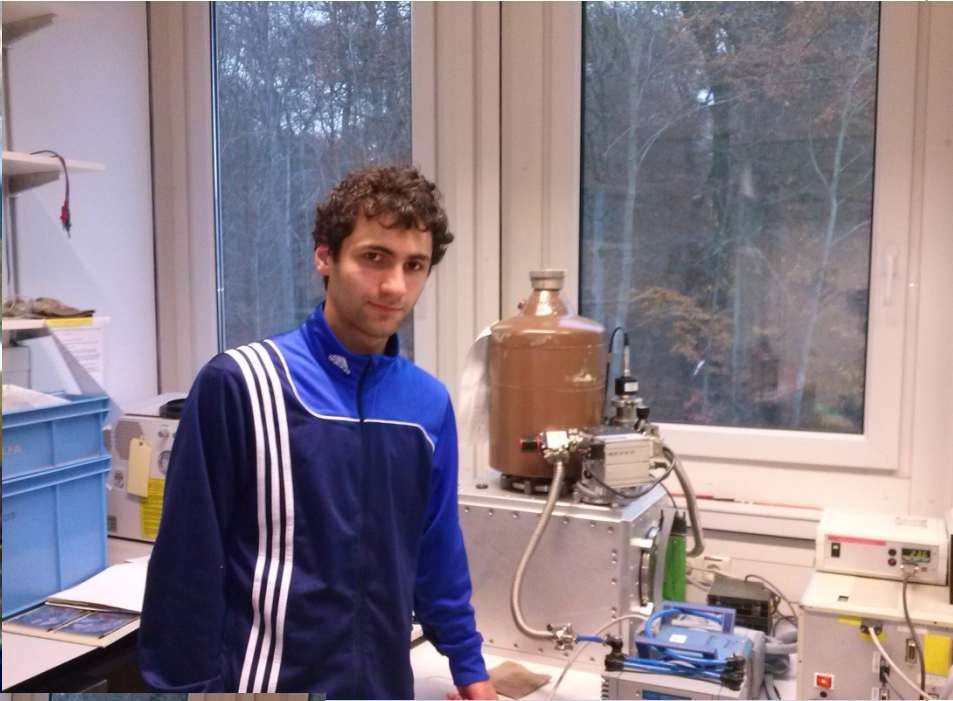

Visiting AT Institute for Nuclear physics IKP2

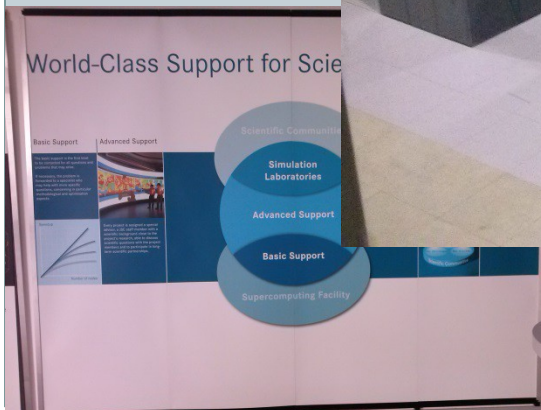

- At IKP2 I visited director of IKP2 prof. Hans Shtroer and prof. Detlev Gotta

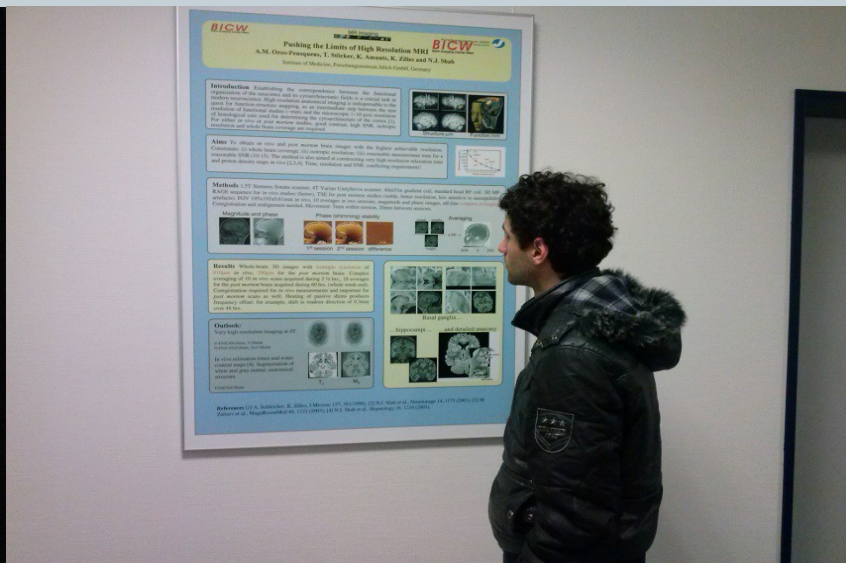

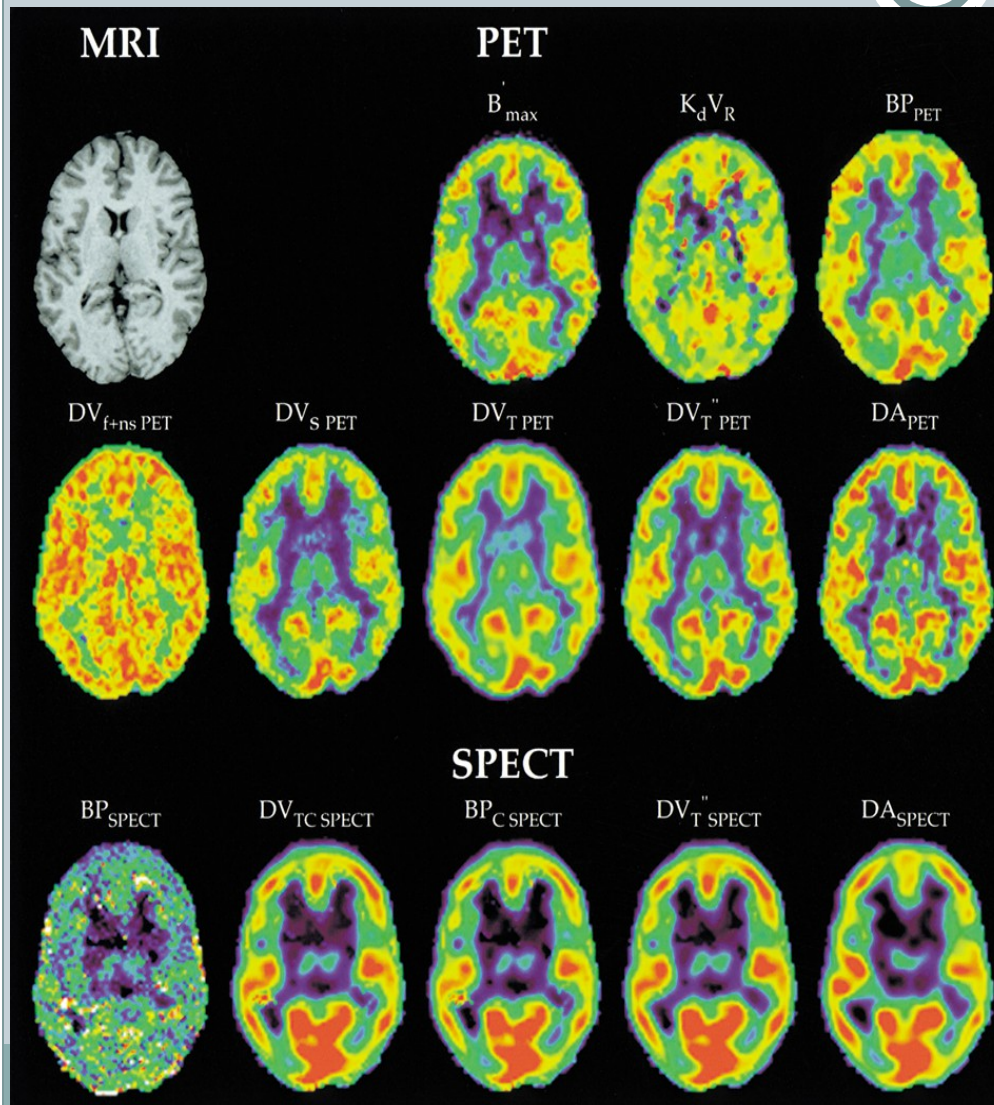

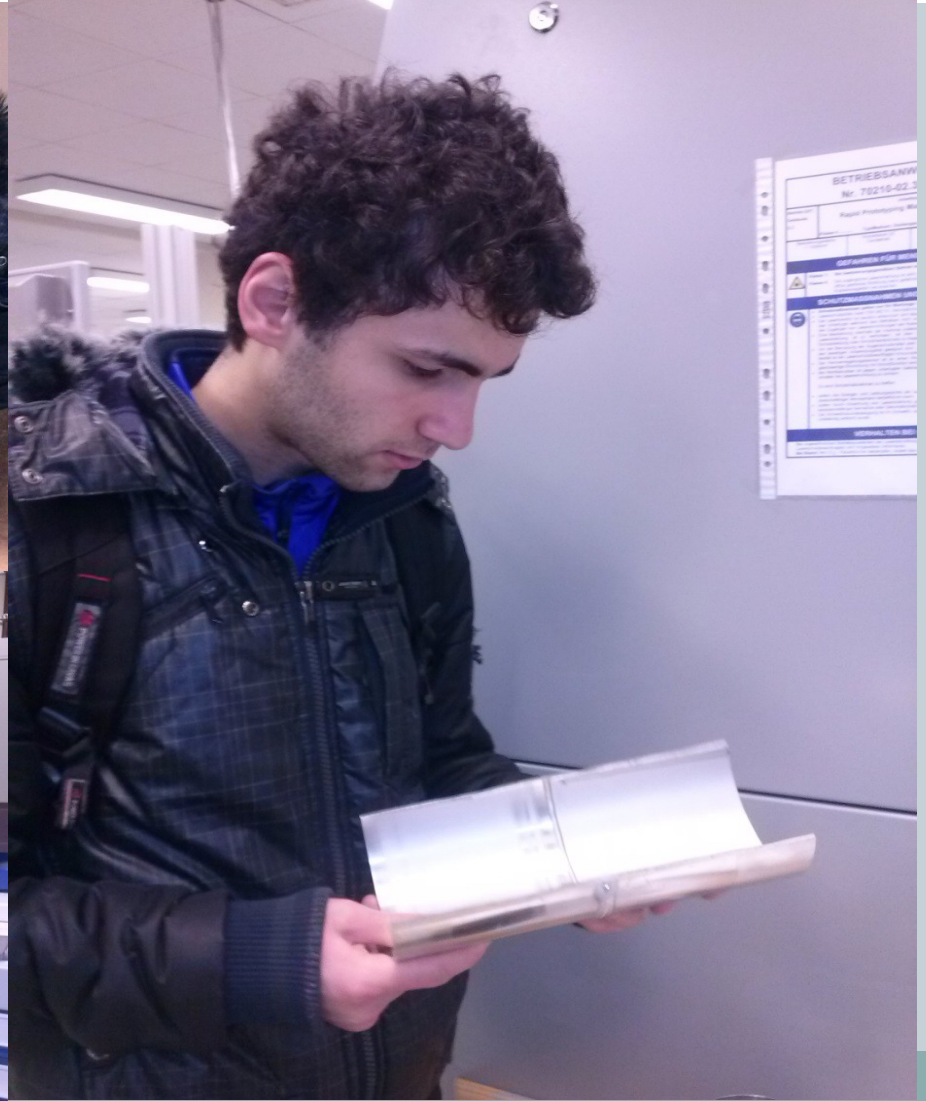

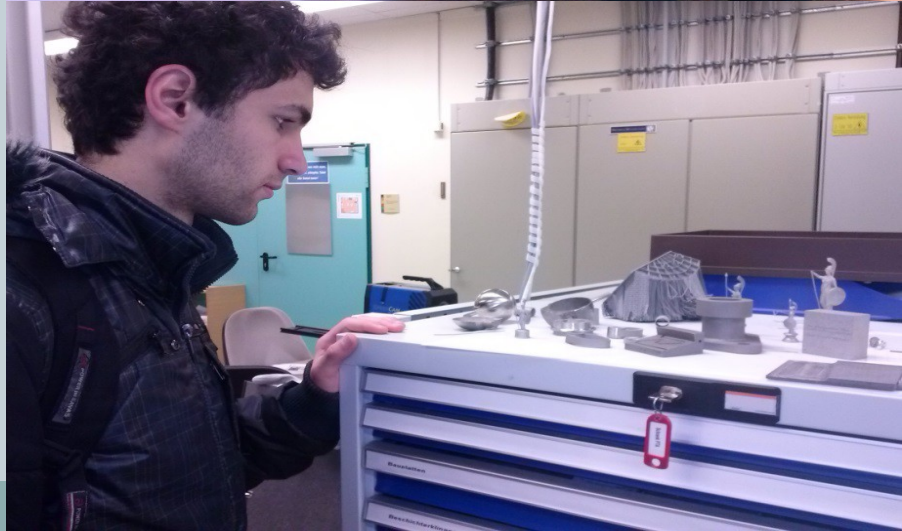

Visit at Julich supercomputer center

Visit at Institute of Neuroscience and Medicine

Visiting at Institute of Engineering and Technologie

Thanks to:

- Dr.Hans Stoeher , Dr.Andro Katcharava and my lecturers:prof.Ketevan Kotetishvili and prof.Akaki Gigineishvili – For giving opportunity to visit and spend 2 weeks in forschungszentrum.
- Dr. Farida Grinberg ,M.kelenjeridze, D.shergelashvili, T.xechaishvili,D,kolotauri for their support.

That's all :)

Any questions ?
